Commitment to Health and Safety Protocols

- Every staff member completes a daily Attestation Form BEFORE entering an LPS building
- **Staff members report to one school each day unless authorized from a supervisor**
- ALL staff members SIGN IN and OUT of each building indicating the time they spent in the building
- **Attendance is taken at the start of each period, and especially during the homeroom period**
- Teachers maintain a seating chart in each class
- **Students do not gather in close proximity, such as on the rug**
- All students maintain a 3 ft distance when masked and a 6 ft distance during extended mask breaks (lunch/recess)
- **Staff members maintain masks when in the presence of others, even when they are more than 6 feet away**
- During lunch and mask breaks, staff do not gather or socialize in groups if a 6 ft distance cannot be maintained, even outdoors.

It's so GOOD to be back in school 😊
