

District-wide Literacy Plan

January 2022

Strategic Literacy Workforce

- Convened district Strategic Literacy Workforce team
- Represents Early Childhood, Elementary, Middle and High Schools
- Team comprised of principals, coaches, teachers, central office staff,
DESE

Team Goal

To develop a cohesive and comprehensive literacy plan for LPS that will honor school autonomy yet provide research-based guidance and minimum agreements for literacy instruction for all grade bands.

The creation of a District Literacy Plan is referenced on page 7 of the current Turnaround Plan

Key Accomplishments to Date

- Documented Current Status of Literacy at LPS
 - Created an inventory of curriculum and assessment by school
 - Held focus groups on leadership & professional development
 - Outlined district strengths and areas for improvement around curriculum, assessment, intervention, and professional development
 - Developed district Literacy Vision Statement and Instructional Vision for Literacy

Next Steps - Winter/Spring 2022

- Develop short and long term goals to enact the literacy vision
- Integrate into school planning for 2022-2023
- Engage stakeholders
