# GRADUATE

LAWRENCE HIGH SCHOOL

*LAE Board Meeting | May 12, 2021*

**“Today, the journey from adolescence to adulthood is far more daunting. It takes much longer, and the roadway is filled with far more potholes, one-way streets, and dead ends.”**

**-Pathways to Prosperity**

**"Hoy en día, el viaje de la adolescencia a la edad adulta es mucho más desalentador. Lleva mucho más tiempo, y la carretera está llena de muchos más baches, calles de un solo sentido y callejones sin salida.”**

**-Camino hacia la prosperidad**

# Learners Must Be Prepared For...

- *A weak labor market tilted toward high skills, experience, and on-demand employment*
- *A complex work/learn landscape of new and ever-changing post-secondary options*
- *A widening opportunity gap in employability, postsecondary attainment, and social capital*

# Community Stakeholders Will...

Determine **WHAT** skills, knowledge and habits of success our students need to develop if they are to thrive in a world of change

Envision **HOW** our learning experience design can help students develop the broader, deeper competencies

Explore **HOW** we might gauge student progress in developing these competencies
