

Welcome!

The 7th Grade team would like to welcome you to Grade 7. Although things are a bit different to the start of school, this is still an important year in your education. Grade 7 is different from Grades 5 & 6 because you are preparing for high school.

The expectations and workload are much greater than previous grades and that much more challenging with remote learning. The great news is that all teachers on the team are dedicated to helping you succeed and attain your goals by offering our help and support.

Before you know it, you'll be applying to high schools, and the grades you earn this year will be looked at closely because it is the last complete report card before entering Grade 8.

With a remote start to the school year you will need a device, preferably a Chromebook or laptop to access core lesson content, patience, a positive attitude, and a desire to learn. We look forward to helping you.

GRADE

Be prepared for Grade 7! With the remote start to school, it is important that you have a device to access content online. However, if/when we return to school, you will need some supplies for in-school learning. There is no real need to get these items now, but it is helpful to know.

- ✓ Agenda/homework planner (supplied by school)
- ✓ 1" blue binder for Science with dividers
- ✓ 1" white binder for Math Class with dividers
- ✓ 1" black binder for Math Class w/ dividers
- ✓ 1" Red binder for Humanities w/ dividers
- ✓ 1" Green binder for ELA w/ dividers
- ✓ 3-packages of white, lined, 3-hole punch paper
- ✓ 1 box of black or blue pens and a green or red pen (for editing)
- ✓ 4 boxes of pencils (no mechanical pencils allowed)
- ✓ 1 box of small Dry-Erase Markers
- ✓ Erasers/Rulers
- ✓ Personal pencil sharpener
- ✓ Markers/colored pencils
- ✓ Calculator
- ✓ 2 large glue sticks
- ✓ 1 box of highlighters
- ✓ Box of tissues for homeroom
- ✓ Paper towel roll for homeroom
- ✓ Clorox Wipes for homeroom

**SCHOOL BEGINS
