REVIEW THIS GUIDE TO IDENTIFY WHICH BENEFITS ARE OFFERED AND WHICH ONES ARE BEST FOR YOU.

There are changes to multiple benefits for the plan year beginning on July 1, 2023. The GIC encourages members to actively shop and evaluate different coverage options.

Please carefully review this guide as well as detailed benefits information for each GIC benefit carrier available at bit.ly/GICbenefitscontact, to make informed decisions about your coverage.

Contact health insurance carriers or visit the GIC's website for more detailed benefits information. Please review page 3 for more information.

IMPORTANT REMINDERS

- 1. SUBMIT ALL CHANGES NO LATER THAN MAY 3, 2023.**
2. Check with your health and other insurance plans about tier changes, network coverage, providers, drug tiers, wellness benefits, and more.
- 3. NEW HIRE?** Visit bit.ly/GICNewEmployee for employment & eligibility.
- 4. TURNING 65?** Visit bit.ly/GIC65Enrollment for a video to guide you through the next steps, whether you're retiring or not.
5. Doctors and hospitals within your network may change during the year. If your provider is no longer available, your health insurance carrier will help you find a new one. Your doctor or hospital leaving a network is not a qualifying event to change health plans.
6. When checking provider coverage and tiers, be sure to specify the health insurance plan's full name, such as "Harvard Pilgrim Explorer" or "Harvard Pilgrim Quality," not just "Harvard Pilgrim Health Care." Your health insurance plan is the best source for this information.
7. You may only enroll in or change your health plan election during GIC's annual enrollment or within 60 days of a qualifying status change event. For a complete list of qualifying events, visit bit.ly/MassGICQualifyingEvents.

Resources and benefits contact information can be found on page 18.

What's New For The Upcoming Plan Year

July 1, 2023 – June 30, 2024

HEALTH INSURANCE PLAN NEWS

The new July 1 plan year marks the beginning of a new health insurance contract cycle, and as a result of this, and the merger of Tufts Health Plan and Harvard Pilgrim Health Care into Point32 Health, there are changes to the health plans available to GIC members for benefits effective July 1, 2023.

The GIC encourages all members to actively shop and evaluate health coverage options. Please carefully review this guide to better understand these changes and make informed decisions about your coverage.

Note: If you are currently enrolled in a health plan that is being discontinued in Fiscal Year 2024 (FY2024) and you do not choose a new plan, you will automatically be default enrolled in a comparable health plan. It is important to evaluate your options and select a health plan that meets your needs. After evaluating your options, if you do not want to select a different health plan during Annual Enrollment, no further action is needed. **FY2024 health plan placement options are outlined on pages 4-6.**

IF YOU ARE A NON-MEDICARE RETIREE

Health Insurance Plan News:

More information on plan changes and default enrollment options is available on page 5 for members whose plans have changed or are no longer available due to the new health insurance contract cycle. There are new geographic eligibility restrictions for the GIC's non-Medicare health plans. Please review the health insurance plan locator map on page 9.

Pharmacy Benefits News:

CVS Caremark will be your new pharmacy/prescription drug administrator:

If you are enrolled in medical coverage through the GIC, you will automatically receive prescription drug coverage through CVS Caremark. There is nothing you need to do as a result of this change. This will replace Express Scripts as your prescription benefit administrator. Prescription benefits (deductible and copays) remain unchanged.

CVS Caremark offers cost management resources and live customer service support to help you best understand and manage your prescription costs. You will receive a separate ID card for the CVS Caremark pharmacy by July 1, 2023. Don't forget to bring it with you to the pharmacy when you get your prescriptions filled.

More information can be found on page 14.

IF YOU ARE A MEDICARE ELIGIBLE RETIREE

Health Insurance Plan News:

Beginning July 1, 2023, all UniCare Medicare Extension plan premiums will include the CIC component and will have plan benefits that cover most services at 100% after any copay and/or deductible that apply.

Due to the merger of Harvard Pilgrim and Tufts, the Tufts Medicare Complement plan is no longer available to GIC members. Members who were in that plan may select a new Medicare plan, and if no action is taken, they will be default enrolled in the Harvard Pilgrim Medicare Enhance plan.

Pharmacy Benefits News:

There are no pharmacy benefit changes to Medicare plans.

See the GIC's website for answers to Frequently Asked Questions: bit.ly/gicfaq

What's New For The Upcoming Plan Year (Non-Medicare) July 1, 2023 – June 30, 2024

NON-MEDICARE HEALTH INSURANCE PLAN NEWS

For Members Living Outside of New England

GIC members whose state of residence is outside of New England (MA, CT, RI, NH, ME, VT) will be automatically enrolled in a new plan offered through Harvard Pilgrim, the Access America PPO. This will offer members access to a larger network of providers, particularly for residents of Florida. This plan replaces UniCare Basic for those members residing outside New England. Deductibles and copays are equivalent to UniCare Total Choice (formerly UniCare Basic).

For Current UniCare Basic Members

UniCare Basic will change its name to UniCare Total Choice, as a result of the eligibility requirements change (restricted to residents of New England or international). The GIC is also removing the requirement that members pay 100% of the cost of the Comprehensive Insurance Coverage (CIC) component of coverage, so the full premium will now be subject to the appropriate cost share. This means that coverage without CIC will not be available, nor will members have to pay a greater share for the CIC component than participants in other plans. There will also be the following copay changes: all specialist office visits will be \$45, and outpatient Eye and GI procedures will be \$150.

For Current Harvard Pilgrim or Tufts Health Plan Members

As a result of the Tufts/Harvard Pilgrim merger, Tufts' branded insurance plans will no longer be offered to active employees and non-Medicare retirees. Members who were in Tufts Navigator or Tufts Spirit will need to shop for a new plan or they will automatically be default enrolled in a comparable Harvard Pilgrim health plan. It is important to evaluate your options and select a health plan that meets your needs. After evaluating your options, if you do not want to select a different health plan during Annual Enrollment, no further action is needed. The names of the new Harvard Pilgrim plans are Explorer (broad-network POS plan) and Quality (limited-network HMO plan). Copays and deductibles are equivalent to the former Independence/Navigator and Primary Choice/Spirit plans, respectively. Members who were in the Tufts Spirit plan and who stay in the new Harvard Pilgrim Quality plan will have to select a Primary Care

Physician (PCP). Please contact Harvard Pilgrim after the new plan year begins, July 1, 2023, to select a PCP; otherwise, Harvard Pilgrim will assign one to you.

For Current UniCare Community Choice & Plus Members

UniCare Plus and UniCare Community Choice will have adjustments to their copays. Outpatient Eye and GI procedures will have a \$150 copay on both plans, and all other outpatient procedures will have a \$250 copay. There will also be adjustments to the PCP copays: UniCare Plus will have the same tiered \$10/\$20/\$40 PCP copays as other broad network plans, and the UniCare Community Choice copay will be \$20 for all PCPs.

For Current AllWays Health Partners Members

AllWays Health Partners has changed its name to Mass General Brigham Health Plan, and their GIC health plan has been redesignated as a broad network plan, available to residents throughout Massachusetts. As a result, the AllWays Complete HMO plan has been renamed the Mass General Brigham Health Plan Complete. With its designation as a broad network plan, this means that there will now be three tiers of copays for most providers (\$10/\$20/\$40 for PCP office visits, \$30/\$60/\$75 for Specialists, and \$275/\$500/\$1,500 for Inpatient copays).

Please review Benefits-at-a-Glance on page 10 for detailed information.

WHICH OPTION IS BEST FOR ME?

When deciding what product is right for you, it is important to consider:

- Where will you and your dependents be living during the upcoming benefits plan year?
- What type of coverage do you need, National? Broad? or Regional and Limited?
- Are your doctors and hospitals in the health plan's network?
- Which tier are your doctors and hospitals in?
- If there are new doctors you would like to see, which of those doctors in the network are accepting new patients?

If you participate in a non-Medicare plan, GIC protects you from balance billing under Massachusetts General Law Chapter 32A, §20.

If you receive covered, medically necessary medical care *in Massachusetts*, doctors, hospitals, and other medical providers may only collect the amount covered by your GIC plan. You are still responsible for your share of the plan's copays, deductibles, and any other eligible medical out-of-pocket costs, but *not* any excess.

Always compare bills to the Explanation of Benefits (EOB) statement provided by your GIC health carrier. If you are not sure your invoice is a balance bill, call your health carrier. If it is a balance bill, advise your provider that as a GIC member, you are not liable for their excess compensation. If your provider persists in efforts to collect, contact the Group Insurance Commission.

Here is an overview of health insurance benefits offered through each of the GIC's Medicare plans. Benefits are subject to definitions, conditions, limitations and exclusions as spelled out in the respective health insurance plans' documents. With the exception of emergency care, out-of-network benefits are not covered through the Tufts Medicare Advantage Plan.

Prescription Drug Benefits (Non-Medicare)

CVS Caremark will replace Express Scripts as the GIC prescription drug benefit administrator for non-Medicare health insurance plans. Use your CVS Caremark ID card when filling prescriptions.

Prescription Drug Deductible

You pay an annual prescription drug deductible of \$100/individual and \$200/family, separate from your health plan deductible. Once you have paid your prescription drug deductible, your covered prescriptions are subject to a copay.

Prescription Drug Copays

All GIC health plans feature a three-tier copay structure. Contact CVS Caremark with questions about your specific medications.

- **Tier 1:** You pay the **lowest copay**. Most generic prescription drugs fall into this tier.
- **Tier 2:** You pay the **mid-level copay**. Many brand-name prescription drugs fall into this tier.
- **Tier 3:** You pay the **highest copay**. This tier includes brand-name and generic prescription drugs that don't fall into Tiers 1 or 2.

Covered prescription drugs may change when CVS Caremark updates its drug formulary.

Avoid the Prescription Retail Refill Penalty

If you or a family member is taking a long-term medication—such as high cholesterol or high blood pressure—you will receive a communication from CVS Caremark asking you how you wish to receive your future refills—by mail or at your local CVS pharmacy.

For maintenance medications, you must fill a 90-day supply at either a CVS Retail Pharmacy, or you may utilize CVS Caremark Mail Service Pharmacy, and you will pay one mail order copay. All Acute 30-day retail medications, or any non-maintenance medications can be filled at any in-network Retail Pharmacy for one 30-day retail copay.

Make sure you take action before your third refill, otherwise you will pay the full cost of the medication.

Prescription Drug Benefits (Medicare)

CVS SilverScript administers the prescription drug benefit for all GIC Medicare health insurance plans. Your prescription drug benefit is called an Employer Group Waiver Plan (EGWP). It combines a standard Medicare Part D drug plan with additional coverage provided by the GIC.

Prescription Drug Copays

All GIC health plans feature a three-tier copay structure. Contact CVS SilverScript with questions about your specific medications.

- **Tier 1:** You pay the **lowest copay**. Most generic prescription drugs fall into this tier.
- **Tier 2:** You pay the **mid-level copay**. Many brand-name prescription drugs fall into this tier.
- **Tier 3:** You pay the **highest copay**. This tier includes brand-name and generic prescription drugs that don't fall into Tiers 1 or 2.

MEDICARE PART D PRESCRIPTION DRUG COVERAGE

IMPORTANT

- **Do not enroll in a non-GIC Medicare Part D plan.** All GIC Medicare plans include Medicare Part D coverage. If you enroll in another Part D plan, the Centers for Medicare and Medicaid Services will disenroll you from your GIC coverage. This means that you will lose your GIC health, behavioral health and prescription drug benefits.
- A "Notice of Creditable Coverage" is located in your plan handbook. It provides proof that you have comparable or better coverage than Medicare Part D. If you should later enroll in an individual Medicare drug plan because of changed circumstances, you must show the Notice of Creditable Coverage to the Social Security Administration to avoid paying a penalty.
- If you have extremely limited income and assets, contact the Social Security Administration to find out about subsidized Part D coverage.
- If your adjusted gross income, as reported on your federal tax return, exceeds a certain amount, Social Security will impose a monthly additional fee called IRMAA (Income-Related Monthly Adjustment Amount). Visit [medicare.gov](https://www.medicare.gov) for more information. Social Security will notify you if this applies to you.
