## How Your Plan Works

Dental insurance helps you pay for the most common dental procedures. And, it's important to understand how your Altus Dental Plus plan works so you can get the most from your dental benefits.

### How does the plan work? It's easy when you use participating network dentists.

The Altus Dental network includes many of the dentists in your area, delivering easy access to care for you and your covered family members. We are the largest Preferred Provider Organization (PPO) in the state. We also offer access to dentists nationwide through the CONNECTION Dental network. All our dentists must pass our rigorous credentialing process, so you know it's care you can count on.

## Finding a Dentist

### Your Current Dentist

If you already have a dentist, simply ask if he or she participates with Altus Dental. If your dentist isn't in the network yet, please let us know. We actively recruit new dentists to the network.

### [www.altusdental.com](http://www.altusdental.com)

Log on to our website and use our online dentist directory to find a dentist in a location that's convenient for you, or to check if your dentist participates with Altus Dental. You may search by name, location or specialty. If your card displays the CONNECTION Dental logo, this means you have access to a national network and can search for a dentist or specialist in all 50 states. Our directory will provide you with the names and addresses of all the dentists that meet your search criteria, as well as maps and driving directions.

*Thanks for choosing  
Altus Dental – we look forward  
to providing you and any  
covered family members  
with quality dental benefits.*

## Maximize your coverage with a participating dentist.

### In-Network Care

When you receive care from a participating dentist, your out-of-pocket expenses will be less. That's because the dentist has agreed to accept the allowance as full payment, minus your coinsurance and any applicable deductibles – which means no "balance" billing. Just show your ID card and you're done – it's that simple! Participating dentists will handle all the paperwork and inquiries directly with us. We will also pay the dentist directly.

### Out-of-Network Care

You also have the freedom to receive care from dentists who do not belong to the network. If you go to a non-participating dentist, you'll be reimbursed at a usual and customary level, which most dentists accept as payment in full, after any applicable deductibles or coinsurance.

## Members Online

Once you're enrolled, **Members Online** helps you manage your dental benefits with ease. Simply log on to **[www.altusdental.com](http://www.altusdental.com)** to verify your specific benefit and eligibility information or to research the status of a claim. You can also create a personal Claim Activity Statement and instantly print a copy of your ID card.
